Chapter 5

Trusts

As a financial institution, you will receive requests from customers to redeem and reissue paper savings bonds involving trust registrations. This chapter provides you with information needed to handle many routine requests you may encounter.

A trust is a right of property, real or personal, held by one party for the benefit of another. It is a written, legal document that creates an entity to which an individual can transfer ownership of his/her assets. The person who creates the trust is called the grantor. The trustee is the person who will manage the assets of the trust. A successor trustee is the person who will manage the assets of the trust if the initial trustee is no longer able to manage the trust due to death, illness, or resignation. A person who receives the benefit of the trust’s assets is called the beneficiary.

There are two types of trusts used with savings bonds:

1. **Personal Trust** – created by natural persons for the benefit of themselves or other individuals.

   Personal trusts can be either revocable or irrevocable and are referred to as the following:
   
   - Declaration of Trust (U/D/T) – the grantor and trustee are the same person.
   - Trust under Agreement (U/A) – the grantor and trustee are different persons.

2. **Testamentary Trust** – created under a will (U/W) and does not take effect until the grantor is deceased.

**Redeeming Savings Bonds in a Trust Registration**

As a paying agent of United States Savings Bonds, your institution is authorized to redeem savings bonds registered in a trust inscription. Report the interest under the social security number or employer/estate identification number of the trust. Your financial institution may pay these bonds when:

- The person(s) requesting payment is the trustee(s) named on the bond(s).
- The trustee(s) named on the bond(s) signs the request for payment on the back of the bond(s) as trustee(s) in your presence.
- The amount being redeemed does not exceed the identification limit stated in The Guide for Cashing Savings Bonds (PD P 0022), and the transaction is conducted according to the rules in that guide. *(See Appendix D.)*

To complete the transaction under these conditions, have the trustee(s) sign the back of each bond, including the capacity in which he or she is acting, and pay the trustee(s) in his or her fiduciary capacity. Report interest as income to the trust. Go to the Legal Rep tab in The Guide to Cashing Savings Bonds (PD P 0022) for step-by-step instructions.

**All other requests for redemption should be forwarded to Fiscal Service, according to the following guidelines:**

- Personal Trust – Provide a copy of the entire trust agreement with any amendments or pertinent pages and any amendments certified to be a true and correct copy of the original. The following pages must be included:
  - The page showing the name and date of the trust;
  - The page(s) identifying the successor trustee(s) (if more than one successor trustee is named, also provide the portion of the trust that states if they may act independently);
  - The page with grantor’s certified signature;
  - Any amendments to the trust that may alter the information on the pages submitted or limit the authority of the trustee(s) to request the transaction.
Testamentary Trust – Provide a certified copy of the will, under court seal. (The will must be probated in order for a testamentary trust to be effective.)

If the trustee named in the registration of the bond(s) is no longer acting, you must also provide one of the following:

- A certified copy of the trustee’s death certificate.
- A letter of resignation from the trustee who is no longer acting.

If the trust instrument or will does not name a successor trustee, you must provide a certified copy of the court order or other evidence. An authorized trust registration should include the name(s) of the trustee(s), name(s) of the grantor(s), and, if applicable, the date that the trust was created.

Note: Additional forms or documentation may be required depending on the transaction requested.

Send the completed form(s), bond(s), and the trust instrument (if applicable) to Bureau of the Fiscal Service, P.O. Box 7012, Parkersburg, WV 26106-7012.

Other Reissues Involving Trust Registrations

Once bonds are issued in a trust registration, circumstances may change which require that the bonds be reissued to a new registration. Customers may request to reissue bonds to change the trust registration for the following reasons:

- Change of trustee – The trustee may change due to death, resignation, or removal.
- Termination of trust – The trust may terminate after a specific period of time, upon a specific event, or at the death of the grantor.
- Revocation of trust – The grantor of the trust may decide to revoke or nullify the trust in its entirety.
- Distribution of estate – The grantor dies and the bonds are to be distributed to specific individuals.
- Distribution of trust – The grantor is living, the trust is not revoked or terminated, and the grantor wishes to reissue bonds out of the trust registration.

A Request by Fiduciary for Distribution of United States Treasury Securities (PD F 1455) is required to distribute bonds due to the termination or distribution of a trust/estate. A Request to Reissue United States Savings Bonds (PD F 4000) is required to reissue bonds due to a change in trustee or revocation of trust. The reason for distribution or reissue must be shown on the appropriate form where indicated.
