This chart shows all fixed rates, inflation rates, and composite rates for all Series I savings bonds issued.
Find rates for your bond by locating its issue date in the far left column. Then...

The fixed rate is in the next column to the right
The composite rate for each six-month interest period appears across the table, from left to right, beginning in the column to the right of the column for fixed rates
The inflation rate for each six-month interest period appears on the bottom row of the table
More information:
How is the composite rate determined?
When do the inflation rate and composite rate for my bond change?
