1Governed by the terms and conditions set forth in 31 CFR Part 375 and this announcement. If there is a difference between the debt buyback operation announcement and the debt buyback regulations, the debt buyback operation announcement will govern. The debt buyback regulations are available at http://www.treasurydirect.gov/instit/statreg/bbreg/bbreg_gsrfr1192000.pdf. Frequently Asked Questions related to small-value debt buyback operations are available at http://www.treasurydirect.gov/instit/annceresult/buybacks/faqs_buybacks.htm.

2Treasury reserves the right to buy back less than the announced amount. This debt buyback (redemption) operation will be conducted by Treasury’s fiscal agent, the Federal Reserve Bank of New York (FRBNY), using its FedTrade system. Only primary dealers as designated by FRBNY may submit offers.

3After the operation, FRBNY will provide acceptance notices but not rejection notices. Treasury will publish summary results shortly after the operation close. Treasury will publish detailed results by close of business on operation day. Summary and detailed results will be available at http://www.treasurydirect.gov/instit/annceresult/buybacks/buybacks_results.htm.

4Offers at the highest accepted price for a particular security may be accepted on a prorated basis.

5The first two decimals represent fractional 32nds of a dollar. The third decimal represents eighths of a 32nd of a dollar and must be a whole number from 0 to 7.

6On settlement date, securities must be delivered to the FRBNY.
