## **NEW COMPETITIVE CLOSING TIME FOR TODAY'S 13-WEEK AND 26-WEEK AUCTIONS**

The competitive portions of today's 13-week (912797QE0) and 26-week (912797RH2) bill auctions will close today at 2:30 p.m. ET, due to a technical issue that has now been resolved. The noncompetitive portions of both auctions have been completed.

Competitive bids that have been submitted will stand, but bidders may review and update competitive bids until the auction closes.

Participants SHOULD NOT resubmit NLP positions for their house and/or customer accounts.

All previously accepted NONCOMPETITIVE bids will be included in the final auction results. No new NONCOMPETITIVE bids will be accepted.

The settlement date remains unchanged.
